Sunday Worship

Welcome to the Unitarian Universalist Congregation of Phoenix, also known as UUCP!

Here we aspire to be:

A spiritual community for our time:
Theologically Diverse
Radically Inclusive
Justice Centered

Regardless of age, gender identity, sexual orientation, economic circumstance, physical ability, nationality, you are welcome here! The best way to see, feel and experience this community is through Sunday morning services. This is a great place to come and connect to UUCP.

Each month in our services we explore a theme in depth. Our themes offer the opportunity to reflect deeply on core values, nurture our spirits, shape meaning in our lives, build connection across diversities and discover ways to advance justice in the wider community.

While we do offer opportunities for children from birth to high school, people of every age are welcome at our services. I hope to see you on Sunday!

Service times:

Mid-April - mid-September: One service 10:30 AM
September 18 – April 16: Two services 9:30 AM and 11:15 AM

Small Group Ministries

Connect – Share – Grow – Serve

Day-to-day life is sometimes a busy struggle in a hectic world. It may leave us feeling out of touch with ourselves and without the energy and resources to reach out to others in love and service. Small group connections have been found to be a source of renewal.

Ruth
Braunstein

Participating in a small group is a great way to slow down, tend to your own heart and spirit and connect with others. It is a time to share one's own story and learn from others.

Small groups invite participants to explore more deeply the congregation's monthly themes and how it relates to our own lives. Trained facilitators lead the groups. Groups generally meet once or twice a month. At least once during the group's duration, participants are asked to engage in a service project together benefiting the congregation or an outside organization.

Registration begins in September, but you can join a group at any time if there is an opening. You are also invited to "sample" a group to see what it is like by coming to the Thursday Evening Drop-In Small Group. Additional information can be found on the congregation website or by emailing sgm@phoenixuu.org. Groups may be added during the year; so check the website or email for the most up-to-date information.

Coming of Age for Adults

Facilitators: Kim St. Clair & Gary Ezzell

Thursday, October 20, 7:00 PM - 8:30 PM

First & Third Thursdays of the month from 7:00 PM - 8:30 PM through May 4

We've listened to inspiring Coming of Age speeches for 15 years, many wishing for a similar experience. Now it's here! Using a small group format and competencies from the youth COA, we'll explore UU history, principles and engage in deep conversations with each other and people of different faiths. At the end, participants will write their own statement of belief, clarifying what is most important and be invited to share these as a part of a service.

Music Ministries

Want to get involved in making music at UUCP? For more information about our music program or any of the following activities, contact our Music Director, Benjie Messer, at benjiemesser@phoenixuu.org.

Benjie Messer

Congregation Choir

Experience the intimacy and beauty of singing in a choir! UUCP's Congregation Choir rehearses every Wednesday from September through May from 7:00 to 9:00 PM, and performs at two Sunday services each month. This group is open to adults and high school youth. The ability to read music at an elementary level is helpful.

Instrumentalists and Small Groups

If you play an instrument or if you used to play and would like to pick it up again, let Benjie know! Some instrumentalists meet up semi-regularly. Currently we have a ukulele circle, a brass group, a string ensemble, a rock band, a small vocal ensemble and a jazz combo.

Audio/Visual Technicians

Want to use your ears and get familiar with audio and video equipment? Our A/V techs provide technical support and make recordings of our worship services and special events. Previous experience with audio and video equipment is wonderful but not required.

Children's Ministry

UUCP supports robust ministry programs for the children and youth of our congregation. Intended to create community, experience wonder, and support each child's search for meaning, our Sunday religious education offerings are tailored to the needs of each age group. In an effort to be Radically Inclusive, Sunday School classes are open to all children. If you or your child require specific accommodations or have questions about programming, please contact Katie Resendiz at KatieResendiz@phoenixuu.org. Registration information can be found on our website. Program fees help provide materials and support our staff and volunteers in our Children's Ministry programming. If this fee presents a challenge to your family, please contact Katie.

Nursery-Preschool

Our Nursery and Preschool programs offer space for play-based learning and early faith development. Staff help children embody the 4th principle "A Free and responsible search for truth and meaning," by creating an atmosphere that is encouraging, safe, and intriguing. Our youngest community members, newborn through year two, are provided a quiet and comfortable nursery to play, eat, and rest.

PreK

The Pre-Kindergarten classroom at UUCP provides a protected space for youngsters to begin their path of faith development. Structured much like a traditional preschool class, the students enjoy circle time, stories, crafts, and games as they learn about the 7 principles, the monthly themes, and the community.

Elementary Age

Our Kindergarten through 6th graders experience our congregation's monthly theme through art, music, conversation, cooperation, and play.

In contrast to the demands of the school week, Sunday School at UUCP offers faith development through a studio approach. Each Sunday, students are offered a choice of 3 studios. In a given month this may include painting, sports, music, tie-dye, storytelling, and craft, each providing a unique approach to the monthly theme. Every studio is designed to give children the opportunity to demonstrate leadership, express opinions, and experience community.

Middle School Youth – Coming of Age

The Coming of Age program meets during the 9:30 a.m. service and is a comprehensive program that spans the entire school year. This rite of passage marks the transition from childhood to teen years and provides an invaluable opportunity to explore and learn about yourself and your religious beliefs within a supportive community of peers at UUCP.

The Coming of Age program at UUCP is designed for youth in the 7th, 8th and 9th grades and includes weekly classes, visits to other houses of worship, mentorship by an adult in the congregation, community service, team building activities and overnights, creation of deep friendships and the development of a personal credo of beliefs for presentation to the congregation in the spring. Once completed, COA participants are invited to become full members of our congregation.

Parents will also play an important role in the Coming of Age program, serving as an advisory committee with responsibilities for leadership, planning and implementing trips, parties, and visits to other houses of worship, coordinating mentors, publicity, fundraising and community service activities.

High School Youth - YRUU

The high school group meets on Sundays at 10:30 AM in Annex C and is for youth in grades 9 - 12. High school-age UUs put our faith into action every day by daring to be real, showing acceptance and support, leading with courage, and acting for justice. Under our new structure, YRUU sessions include socialization, check-in, work on the monthly theme, faith development, and community building. One Sunday a month, students share lunch out. YRUU worship evenings provide a chance to reflect and explore beliefs in a comfortable, teen-centered environment.

Volunteers Ministering to Our Young People

Our religious education programs are all staffed by dedicated volunteers who pour their passions, skills, beliefs and time into facilitating outstanding classes and groups for youth. Training is provided and teachers serve as the congregation's Children's and Youth Ministry Committee. If you are interested in joining the Children's Ministry Team by volunteering directly with children or in a support role, please contact Katie Resendiz.

Exploring Membership

Membership at UUCP is a significant decision. None of what we do – our programs, worship, classes, fellowship – would be possible without the support and leadership of members. Members are the foundation and health of our community and mission. And it is our hope that by joining the congregation members experience an even greater connection to the community, a deeper engagement with their own growth and greater opportunities for leadership and service within and beyond UUCP.

What does it mean to be a Member?

There are 6 Pillars to membership at UUCP.

1. Active participation and engagement at UUCP
2. Generous financial giving to help UUCP thrive
3. Generous giving of time and service to help UUCP innovate
4. A Commitment to your own spiritual growth
5. A Commitment to the larger UU community
6. A Recognition of how you are called to service beyond the Congregation

What if I am considering membership?

Before becoming a member, we encourage everyone to:

- Attend a Starting Point Tour
- Take time to get to know the community
- Enjoy Sunday worship, enroll your children in Children's Ministries (page 6)
- Join a small group (page 3) or take an Adult Faith Development class (page 4)

Pathway to Membership Dates:

Thursdays, October 6 & 13, 6:45 PM - 8:30 PM

Saturday, January 14, 9:00 AM - 12:00 PM

Thursdays, April 6 & 13, 6:45 PM - 8:30 PM

To register for one of the Pathway to Membership programs, contact membership at membership@phoenixuu.org or sign up at the Welcome Table in the front lobby on any Sunday morning. You will get a phone call or email a week or two before the PTM series begins to confirm your plans to attend. There is no fee to participate in the Pathway to Membership program.

How do I become a Member?

Our Pathway to Membership program is a 2-part class that invites you to meet with other people considering membership, hear more from ministers and leaders about what it means to be a member, ask questions, learn about the history of Unitarian Universalism and UUCP and ends with an invitation to join by signing the membership book and pledging your support. There is no pressure to join. We recognize membership is a commitment, and we hope people will take their time before joining.

There is an optional third session for PTM, a "class reunion" of sorts. A month or two after the class, all participants will receive a special invitation to meet together during a Sunday coffee hour to reconnect with fellow Pathway participants, staff and Membership Committee members to find out how things are going for everyone. At this time, facilitators will answer questions that have come up since the group was last together and can assist people in getting better connected if needed.

Starting Point

Are you new to UUCP? Do you have questions about UUCP and Unitarian Universalism? Starting Point is an informal program especially for you! Meet a representative from the Membership Committee by the Starting Point sign in the front lobby any second Sunday of the month. You don't have to sign up. Just show up!

In twenty to thirty minutes, we will answer questions and take you on a brief tour of our campus. We will also give you some tips on the best ways to start making connections at UUCP.

All newcomers are invited to enjoy a Starting Point conversation and tour. If you are thinking about becoming a member of our congregation, we strongly encourage you to attend Starting Point prior to enrollment in a Pathway to Membership program.

Starting Point Times (Second Sunday of every month):

10:45 AM October through April

11:45 AM May through September

Maryland School Partnership

The UUCP Maryland School Task Force is helping to address inequities of resources in a neighborhood with high poverty and a large refugee population. We are building community partnerships that reach out to businesses and organizations to bring resources to the neighborhood's elementary school. This project helps organize volunteers to tutor and mentor students, provide material and moral support to the faculty, work in the garden, and help at family events. Contact Cathy Kim at maryland@phoenixuu.org to get plugged in!

Share the Plate Offerings

Every month UUCP "shares the plate" by donating one week's Sunday offering to a non-profit 501(c)(3), tax exempt charitable organization that benefits our community. To nominate an organization to receive the collection, complete the online application form found at phoenixuu.org (under the Justice menu) or email Jan Kaplan at sharetheplate@phoenixuu.org.

Partnership with Puente Human Rights Movement

Puente is an immigrant-led organization that UUCP has built a relationship with to support their efforts to end deportations and stop racially biased policing that targets the Latinx community. Through collaboration and invitation, UUCP has been asked to show up at protests and rallies, offer volunteer support (such as childcare during their community meetings), and be involved in their community outreach efforts. To find out current needs are for Puente and the communities they support, contact Emrys Staton at immigration@phoenixuu.org.

Sewing and Craft Circle

The Sewing and Craft Circle meets monthly to make simple items to help others. Most recently the group sent children's dresses to Haiti and has started making knapsacks for children being removed from their home by Child Protective Services. Usually the group works together in the Johnson Room one Saturday each month on a drop-in basis between 11:00 AM and 4:00 PM. Call Paula Adkins at 602-999-5004 or email Lori at sewing@phoenixuu.org.

Refugee Assistance Project (RAP)

To broaden our outreach to refugees in the greater Phoenix area, UUCP has established a partnership with the International Rescue Committee. The IRC provides both financial and educational services to assist newly resettled refugees with finding jobs and adjusting to life in the US. The Refugee Assistance Project gives our members a chance to use their skills as IRC volunteers in programs such as teaching English, job readiness and career coaching, citizenship study, and financial literacy, to name just a few. We established an emergency fund for refugees in crisis, participate in the IRC Holiday Giving Campaign and encourage UUCP's members and Small Group Ministries to donate household items, clothing and personal hygiene items on a regular basis. We make a positive difference in refugees' lives by sharing our time, talent and treasure with our new neighbors. Contact refugee@phoenixuu.org for more information.

Lead a Justice Ministry Team

Are you interested in organizing a team to work on a particular area of justice and social action? Are there others in the congregation also interested in the issue? Is there a partner organization you can work with in the community? If so, you are ready to form a Justice Ministry Team.

Justice Ministry Teams go through an application process and are approved by the Lead Minister. Download the Justice Ministry Team Application from the Social Justice Ministry page of our website.

Caring Ministries

Support Others Through Unicare

We encourage you to join the Unicare email list as a volunteer. You will have opportunities to send cards or emails, make calls or visits, or assist with other needs as you are able. To share news, request support, or volunteer, contact Victoria Myers at unicare@phoenixuu.org.

Be a Friendship Partner

Friendship Partners is a very important way to extend the ties of community to those who are temporarily unable or no longer able to participate fully in UUCP activities. Friendship Partners make monthly visits or phone calls to their friends. You may be friends with a new parent, a caregiver, or someone with mobility issues that prevent them from participating fully in UUCP activities. Email the Friendship Partners coordinator at friendship@phoenixuu.org.

Diana Ashley

Addictions Discussion Group

Some anonymous members of the congregation are opening an addiction recovery meeting on Monday nights at 7:00 PM. It will be based on UU Principles and have a free-form type of orientation. This will be a discussion group of like-minded individuals who are seeking recovery from drug and alcohol addictions. Any members who wish to participate can call John Moats at 602-300-4743. We will be meeting at 7:00 PM on Friday evenings in Annex C. So come one come all because your love and gratitude are always welcome.

Memorial Services

The Memorial Services ministry provides families by helping to plan and host memorial services. We work with you on coordinating the logistics of planning a service, reception, and, if desired, options for internment in our Memorial Garden. Ellie Anderla serves as the coordinator of the memorial services committee, and can accompany you through the process of setting up a service. She can be reached at memorial@phoenixuu.org.
