Transforming Hearts Collective

Six video lectures, with questions and resource links

This course was purchased by UUCP for congregations who want to take their knowledge and skills to the next level in terms of trans identity and how to create congregations that are fully inclusive and affirming of the full breadth of gender diversity. Over six sessions you will deeply explore the intersection of trans identity, spirituality, and faith community, and gain the grounding, context, and skills to transform yourself and your congregation. Each session includes a 45- to 60-minute lecture by Rev. Mykal Slack and Zr. Alex Kapitan, reflection questions, and resources that take the conversation deeper.

Trans Ally Toolkit

Available in print, or for download

Advocating for oneself in an uncertain climate is not sustainable. Allies are needed to help further the efforts of transgender people already fighting for their lives.

There are lots of great ways to be an active ally to transgender and gender non-conforming communities. We want to make sure that you have the right resources to best help the trans community.

This Trans Ally Toolkit, from the ACLU of Missouri, is a community-backed action guide for cultivating a world that is safe and welcoming for all genders.
